

# Looking to Fill the Blanks?

NutriDyn®

## Nutritional Support for Cognitive Health\*

The brain and nervous system work together through complex neural pathways to support memory, learning, and proper blood and oxygen flow.\* Supplementation with Dynamic Brain Restore Powder or Brain Restore (capsules), along with Brain Support, provides the optimal nutrients to support the healthy functioning of these neural pathways.\*

- Are you looking for an effective way to support memory, learning, and overall brain health?\*
- Are you getting all the necessary nutrients to support a healthy nervous system?\*

### Brain Support\*

The patented and bioactive herbal nutrients in Brain Support are clinically proven to ensure proper potency and absorption in the body for optimal brain health.\*

Supplementation with Brain Support may also help promote healthy neurotransmitter activity between the brain and the rest of the nervous system, which supports cognitive performance and mental sharpness.\*

### Dynamic Brain Restore Powder

Bioactive Dynamic Brain Restore Powder includes key B vitamins and amino acids to support the healthy neurotransmitter activity needed for long-term memory, healthy cognitive function, and healthy blood and oxygen flow to the brain.\*

### Brain Restore\* (capsules)

Brain Restore offers the same cognitive and nervous system health benefits as Dynamic Brain Restore Powder but in a capsule form.\* Select the supplement most convenient for you!
