

Keep Your Brain on Task

NutriDyn®

Nutritional Support for Healthy Cognitive Function*

Brain health is a complex interplay of neurotransmitter activity that supports memory, learning, and overall cognition.* The ingredients in Dynamic Brain Restore Powder and Brain Support are formulated to provide the necessary nutrients to support brain health and nervous system function.*

- Are you looking for an effective way to support cognitive health?*
- Are you getting all the necessary nutrients to promote healthy blood and oxygen flow to the brain?*

Dynamic Brain Restore Powder

Dynamic Brain Restore Powder contains an innovative mix of bioavailable nutrients known to cross the blood-brain barrier to support healthy neurotransmitter activity.* The nutrients promote healthy cerebral and nervous system function through proper DNA maintenance, energy production, amino acid metabolism, and a variety of other processes.*

Brain Support

NutriDyn Brain Support is a comprehensive cognitive and neurologic support formula containing patented, bioactive plant extracts with potent antioxidants, including turmeric (as BCM-95® Curcugreen®).* These plant extracts contain key compounds that support a healthy nervous system and brain health.*
