

Monkey See. Monkey Do.

NutriDyn®

Nutritional Support for Children's Health*

The growth and development of healthy children depend on healthy brains and strong immune systems.* The ingredients in TonicSea Liquid Multi Pro and Suppys Children's Chewable Probiotic are formulated to provide the nutrients needed to support the development of healthy kids.*

- Are you looking for an effective way to support your children's overall health?*
- Are your children getting all the necessary nutrients to support proper brain development and promote healthy immune function?*

TonicSea Liquid Multi Pro

TonicSea Liquid Multi Pro is a complete nutritional supplement for supporting the overall health and well-being of children as they grow and mature.* The formula includes a comprehensive mix of critical vitamins, minerals, and other nutrients needed for optimal nervous system function, energy metabolism, and healthy DNA.*

Suppys Children's Chewable Probiotic

Suppys Children's Chewable Probiotic contains "friendly" probiotic bacteria along with a highly absorbable prebiotic in a tasty chewable format that supports the growth and development of healthy children.*

Probiotics and prebiotics can restore and rebalance children's gut microbiome, strengthening their immune systems in various ways.*
