## Nutritional Support for Healthy Inflammatory Markers\*

Dynamic Inflamm-Eze and Inflamm-Eze Plus are comprehensive nutritional supplements for individuals looking to support overall well-being and healthy inflammatory markers.\* Proper nutrition plays a critical role in immunity, gut health, and overall well-being.\* It can be challenging to consume adequate nutrients through diet alone. Dynamic Inflamm-Eze and Inflamm-Eze Plus provide the nutrients you need to help promote healthy inflammatory markers and immune health.\*

- Are you looking for an effective way to support healthy immune function?\*
- Are you getting all the necessary daily micronutrients needed to promote a healthy gastrointestinal tract?\*

### Dynamic Inflamm-Eze

Dynamic Inflamm-Eze is for individuals looking to support overall well-being and healthy inflammatory markers with potent ingredients.\* It is a plant-based protein powder full of vitamins, minerals, antioxidants, amino acids, BCAAs, and a balanced ratio of protein, carbohydrates, and fats for optimal support of macro- and micronutrients based on clinical research.\*

### Inflamm-Eze Plus

Drawing upon the traditions of Ayurvedic practices, the Inflamm-Eze Plus formula contains ginger, turmeric, fenugreek, Boswellia serrata, and black pepper, all known for their ability to support healthy inflammatory markers in the body.\* Inflamm-Eze Plus also contains highly potent xanthohumol known for its ability to support healthy inflammatory markers in the body.\*
