NutriDyn®

Nutritional Support for Performance Health*

Intense workouts require additional micronutrient support for healthy repair and recovery of muscle tissues and to rebalance electrolytes.* Dynamic Performance Drink and Dynamic Hydrate use clinically validated and highly bioavailable patented premium ingredients to support your athletic performance pre- and post-workout.*

- Are you looking for an effective way to stay hydrated with balanced electrolytes?*
- Are you getting all the necessary micronutrients needed to help with muscle fatigue, repair, and recovery after intense workouts?*

Dynamic Hydrate

Dynamic Hydrate was meticulously crafted to support fluid and electrolyte balance during exercise as well as any activity where dehydration may occur.* The formula is the most bioavailable solution for optimal athletic performance and supporting daily hydration needs for overall health and well-being.*

Dynamic Performance Drink

Dynamic Performance Drink supports quick muscle repair and reduced delayed onset muscle soreness when taken before and after exercise.* Each scoop of Dynamic Performance Drink contains BCAAs, vitamins, minerals, and additional nutrients to support optimal athletic performance.*
