

More nutrients, more fun

NutriDyn™

Nutritional Support for Healthy Children*

Proper immune function is crucial in children. NutriDyn offers several comprehensive, evidence-based formulas that have a long history of successful use with children. These formulas offer nutritional support for the healthy development of children's immune systems and promote overall well-being.*

- Are you looking for a tasty multivitamin and immunity supplement that children will enjoy?
- Are your children getting the right nutrients to support their health and well-being?

Suppys Multivitamin

Suppys Multivitamin is a delicious, quality children's chewable with 2,000 IU of vitamin D3 and 250 mg of vitamin C per dose to keep kid's bones healthy, improve moods, and support strong immunity.* An activated form of folic acid further supports nutrient absorption.* This formula contains quality organic fruits and vegetables to support their overall health and well-being.*

Suppys Immunity

Suppys Immunity is a delicious immune support supplement for children containing a patented yeast beta-glucan derived from the cell wall of a highly purified strain of baker's yeast.* Suppys Immunity supports innate and adaptive immune responses and supports overall health and well-being.*
