NutriDyn

Children's health & wellness support

Are your kids getting the right nutrients for healthy growth, immunity, and wellness?

Do you find it tough to help your children meet their nutrient needs through diet alone?

If you answered yes to either of these questions, then consider the following products.

MetaKids™ Probiotic

Probiotics are of emerging importance for fortifying your children's gastrointestinal health, which goes on to affect nearly every system in their body.* MetaKids™ Probiotic provides an unmatched 10 billion colony-forming units (CFUs) of genetically-identified probiotic strains.

MetaKids™ Baby Probiotic

A healthy gastrointestinal environment is imperative for newborns and young children. MetaKids™ Baby Probiotic provides 1 billion colony-forming units (CFUs) of healthy probiotics that have been clinically-tested in numerous studies.*

Suppys Children's Multivitamin (NEW FLAVOR!)

Suppys contains an organic vitamin and mineral blend made with bioavailable micronutrients and all-natural greens that support your children's health, growth, and maturation.* Suppys gives children the nutrients they need for optimal health in a tasty chewable tablet, with none of the junk and added sugar.*
