

**Do you want to keep
your brain sharp
and focused?**

NutriDyn

Support healthy cognition and memory.

Not sure you're getting the right nutrients for supporting your cognitive function?

Struggling to focus and concentrate throughout the day?

If you answered yes to either of these questions, then consider the following products.

Metagenics® Ceriva®

Cognition and memory support formula containing Huperzine A and polypeptides from colostrum that help aid in healthy acetylcholine function, and promote healthy nerve cell and brain function.*

NutriDyn Magtein®

Magnesium L-threonate is a patented form of magnesium resulting from more than 10 years of research at MIT. It is the only form of magnesium proven to cross the blood-brain barrier, effectively increasing its uptake into the brain.*

Dynamic Brain Restore Powder

Comprehensive cognitive-support formula containing patented, bioactive forms of key B vitamins such as Quatrefolic®, L-carnitine, choline, uridine, and serine which support cognition, focus, and mood.* Tastes delicious and comes in a rich orange cream flavor.
