NutriDyn™

Nutritional Support for Healthy Inflammation*

A healthy gastrointestinal tract is a leading indicator of overall health and well-being including levels of inflammation in the body.* NutriDyn offers several, comprehensive, evidence-based formulas to help support healthy inflammatory responses in the body by supporting a healthy gastrointestinal tract and immune function.*

- Are you consuming adequate macro- and micronutrients to support immunity, gut health, and overall well-being?*
- Are you looking for evidence-based formulas that enhance intestinal absorption of nutrients to modulate inflammation in the GI tract?*

Dynamic Inflamm-Eze

Dynamic Inflamm-Eze is a delicious plant-based pea and organic brown rice protein powder with potent anti-inflammatory ingredients.* Containing 23 vitamins and minerals, 14 antioxidants, and a balanced ratio of protein, carbohydrates, and fats, Dynamic Inflamm-Eze provides nutritional

support for supporting healthy inflammation in the body and promoting a healthy gastrointestinal tract.*

Herbal Eze

Herbal Eze is a dietary supplement formulated with patented extracts of ginger root, turmeric root, Boswellia gum, and black pepper fruit to support immune function, support stress, support minor joint discomfort, and promote overall well-being. Herbal Eze contains rigorously tested pure and bioactive ingredients standardized to high potency for optimal intestinal absorption.*
