

# Peak performance

NutriDyn™

# Nutritional Support for Athletic Performance\*

Proper nutrients are key for supporting athletic performance, promoting muscle repair, and supporting exercise recovery.\* NutriDyn offers comprehensive, evidence-based formulas for supporting athletic performance by giving your body the support it needs for an intense workout and full muscle recovery.\*

- Are you looking for an effective way to support body composition and athletic performance?
- Are you getting the right nutrients to maximize your training session, while providing energy and replacing glycogen stores?

## Dynamic Paleo Protein

Dynamic Paleo Protein is a great-tasting beef protein powder produced by a proprietary filtration process yielding native beef peptides that are rich in essential amino acids and contain absolutely no lactose/dairy and minimal fat. Dynamic Paleo Protein is a complete protein containing all nine of the essential amino acids to promote muscle protein synthesis and support healthy muscle protein turn-over.\*

## Dynamic Hydrate

Dynamic Hydrate is NutriDyn's delicious flagship hydration formula, meticulously crafted with electrolytes and nutrients that support fluid balance while you exercise and engage in physical activity.\* Dynamic Hydrate contains an evidence-based blend of essential minerals and electrolytes that support cellular hydration and fluid balance to support athletic performance and endurance.\*
