Ready to Elevate Your Energy & Wellness?

Are your patients ready to power through their days with enhanced energy and vitality? As we navigate busy lifestyles, cellular health and nutrient support are essential. Equip your patients with our dynamic duo: Mito Recharge and Energy Fruits & Greens. These clinically validated formulas are designed to promote cellular energy, mental clarity, and overall health.* Both supplements are highly bioavailable, practitioner-exclusive, and free from gluten, dairy, artificial colors, and GMOs.

Mito Recharge

Mito Recharge is designed to support energy production from the inside out by optimizing your mitochondria, the powerhouse of your cells.* Packed with nutrients like taurine, CoQ10, and PQQ, it promotes healthy immune function, heart and brain health, and overall vitality.*

Promotes healthy cellular energy production, immune function, and cardiovascular health.*

Supports blood flow, antioxidant status, and detoxification processes.*

Enhances brain health, mitochondrial function & energy metabolism.*

Energy Fruits & Greens

Energy Fruits & Greens is formulated from a blend of plant-based ingredients like green tea, gotu kola, and ginkgo biloba, offering a consistent source of energy.* This product is designed to support mental alertness and focus.* Unlike many traditional energy drinks, it does not rely on harsh stimulants, making it a suitable option for those looking for an alternative to conventional energy products.*

Promotes energy, mental alertness, and cognitive health.*

Supports immune function, healthy metabolism, and detoxification.*

Enhances digestion, nutrient absorption, and gut health.*

As we are currently rebranding, some packaging and product appearances may vary.
